

MTA Bridges & Tunnels

Discontinue Rockaway/Broad Channel resident rebate program

This action would eliminate the full rebate currently received by registered Rockaway peninsula and Broad Channel residents using E-ZPass to travel over the Cross Bay Bridge. Under this proposal, Rockaway residents utilizing E-ZPass will pay \$1.13 per crossing, compared to \$1.71 for non-resident E-ZPass customers (58 cents less per crossing) and \$2.75 for cash tolls. The elimination of this rebate program will result in an annual savings to MTA of \$4 million.
